Spirit

If you're a fan on the visitor's side of the Maumee High School stadium, you may wonder what kind of flourescent orange aliens are invading the panther side. No, they are not creatures from outer space, simply the "coneheads." These are students ranging in size from petite to mammoth, cheering on the football team through their orange pylon megaphones. During basketball season the coneheads turn into bleacher-creatures. This year, the creatures outdid themselves. They boldly pronounced their pride by unleashing massive quantities of tissue paper at the first basket made by Maumee during the heated match against Southview.

Not only do the students show spirit, but the parents and teachers become just as enthusiastic through participation in pep rallies and sporting events.

The spirit of Maumee High School originates in the heads and hearts of the student body and community, and lives on.

Clockwise from Top Center: Bleacher Creatures; Maumee Band at halftime; DECA Penny Pitch; Maumee's Panther Mascot, Todd Tunison; Panther's Mascot Michele Ruch's younger brother; Varsity and Junior Varsity Cheerleaders; Homecoming Queen Kristy Frietag and flower girl.

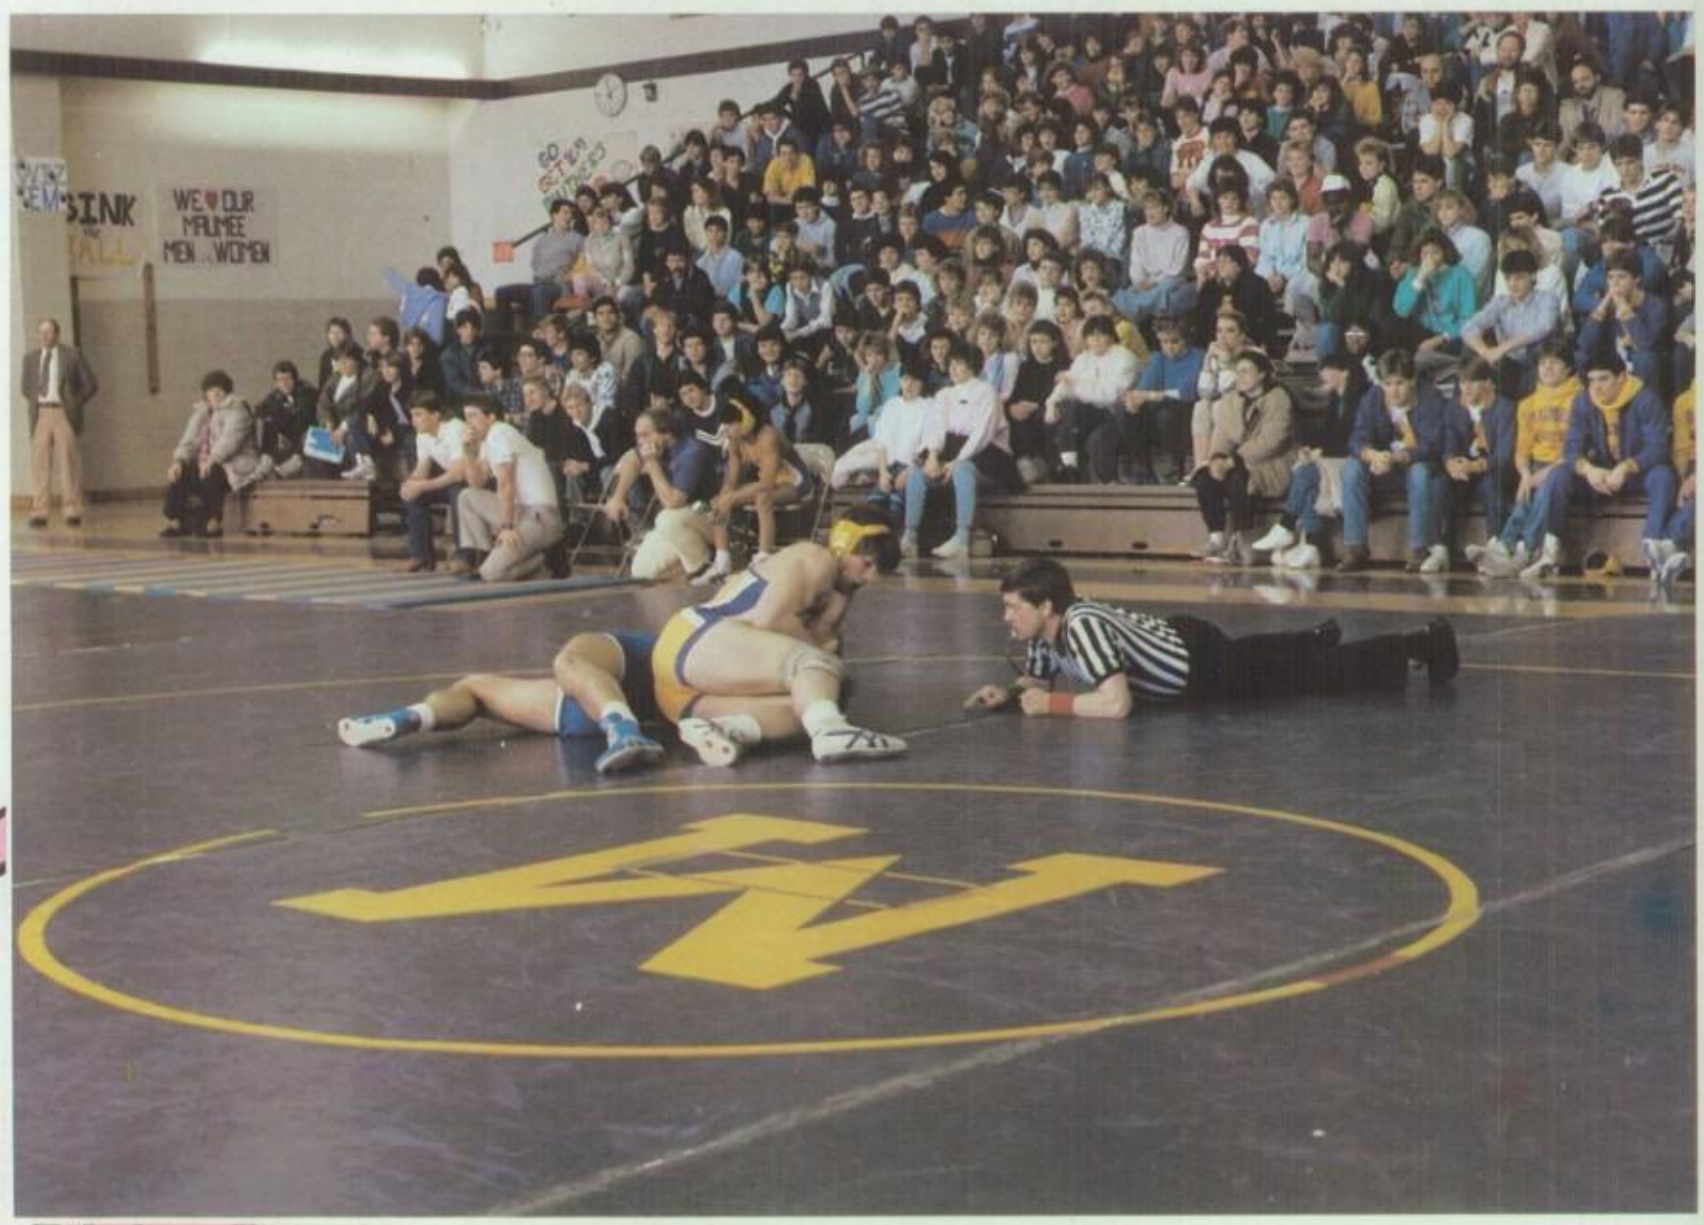
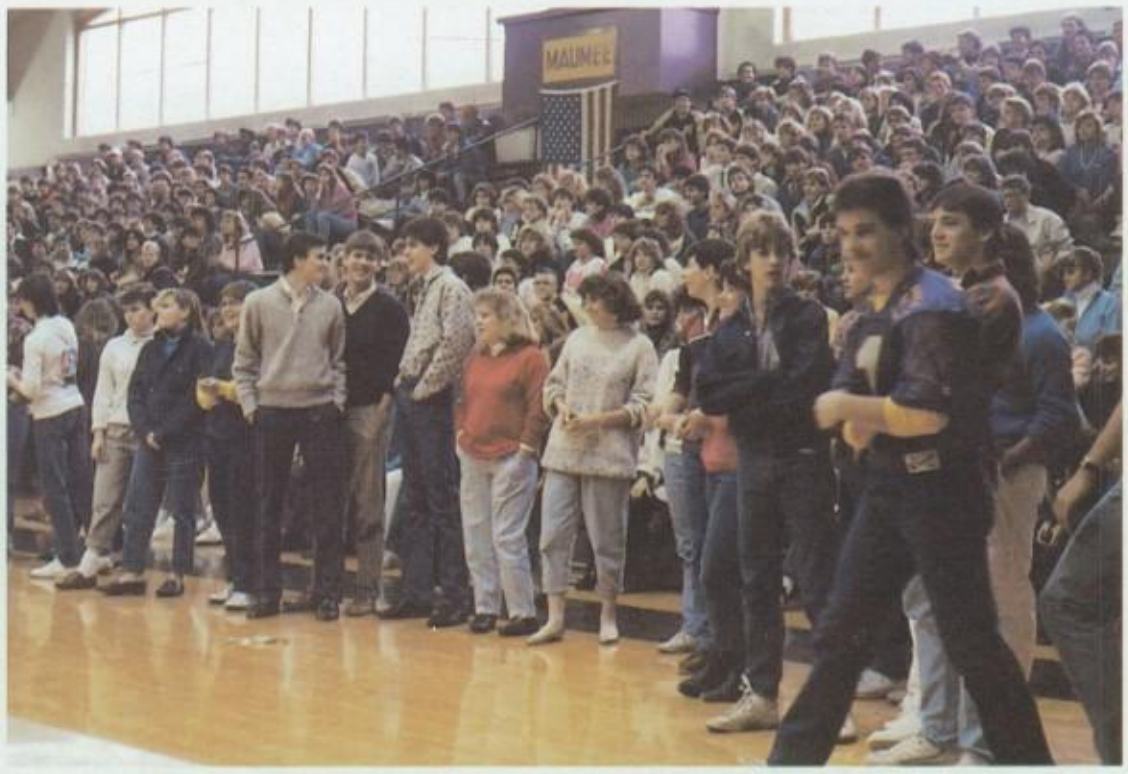
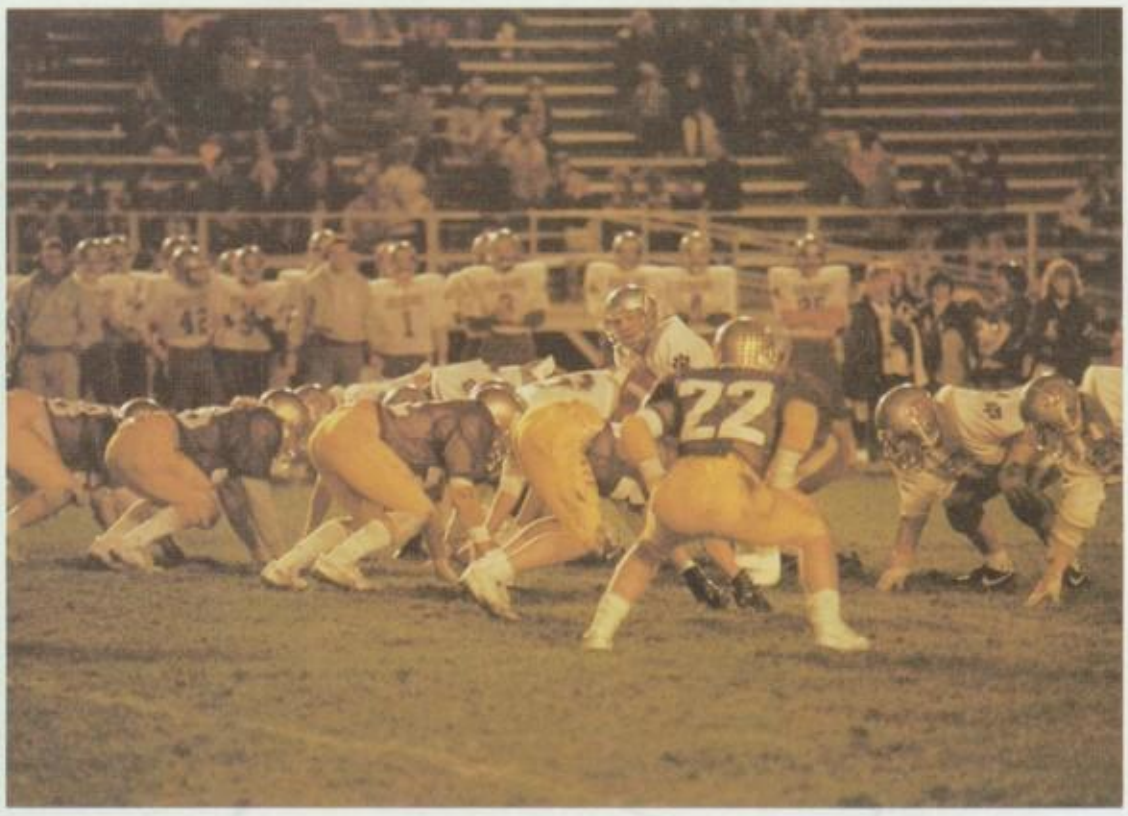
Tiny Lessons

Clockwise from Below: Coach LaFountaine watching and waiting; J.V. girls shoot for a basket; Booster Mrs. Schmidbauer glowing with Panther Pride; Pie-Throwing Assembly; Panthers prepare to hold off Bulldogs; J.V. players await their turn; Another win for Brian Walczak.







Sports

The buzzing lights click off and the last car pulls out of the lot. The Maumee Panthers have once again made the big-time headlines as their team remains undefeated.

Athletics at Maumee have always been highly successfull because of the quality players Maumee turns out.

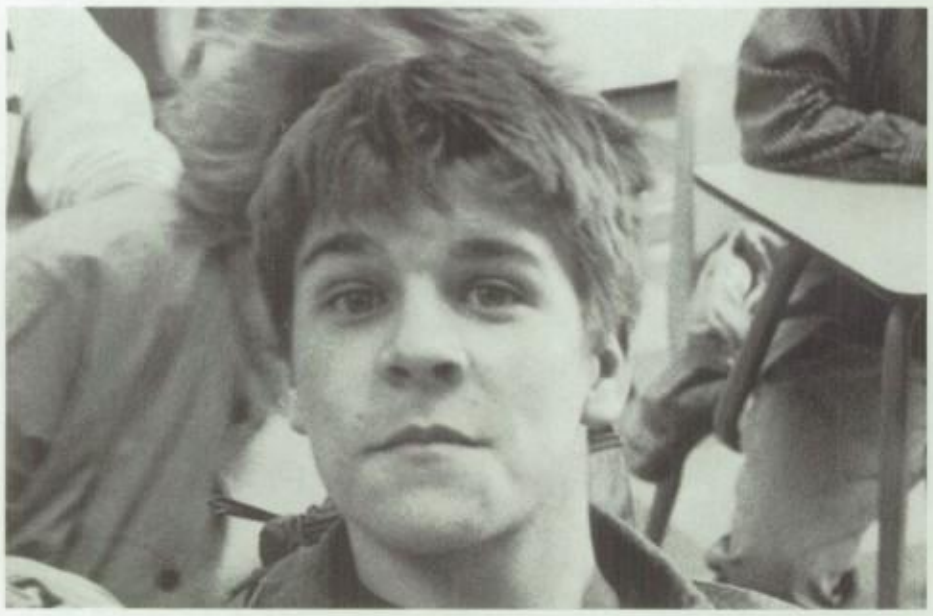
Through the support of the band, cheerleaders, students, parents, and fans; through the dedication of the coaches and athletes, Maumee's teams succeeded beyond all expectations this year.

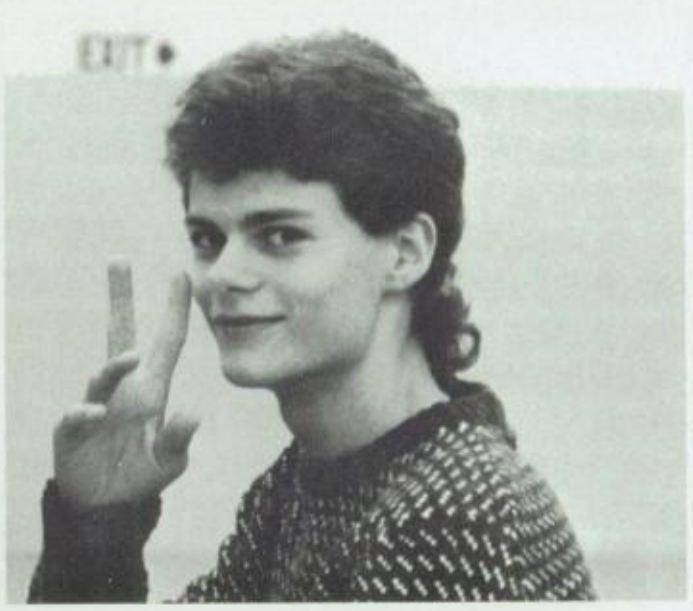
The Panther's football team achieved a 10 — 0 season, a feat not accomplished in 69 years. Their record earned the team a spot in the state playoffs in Cleveland, where bleachers were filled to capacity by MHS fans.

The wrestling team sent three people to regionals, with Brian Walczak going on to state to capture fourth place in his weight class. Brian was the first wrestler to be a two-time state place winner in Maumee history. Together, the three Walczak boys, Greg, Ken, and Brian have compiled 222 wins during ten consecutive years of wrestling for MHS.

In girls basketball Erin Vick won the N.L.L. player of the year award by a unanimous vote. She also now holds the record for a single game score of 38 points. Erin also has the honor of being the only Maumee player ever to be named to both the AP and UPI state girls basketball team.

As Maumee students and fans continue to express Panther Pride and Support; the athletic teams are sure to dominate.

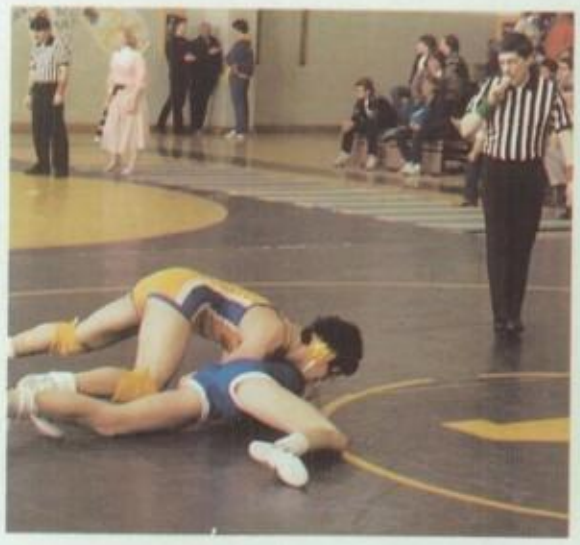


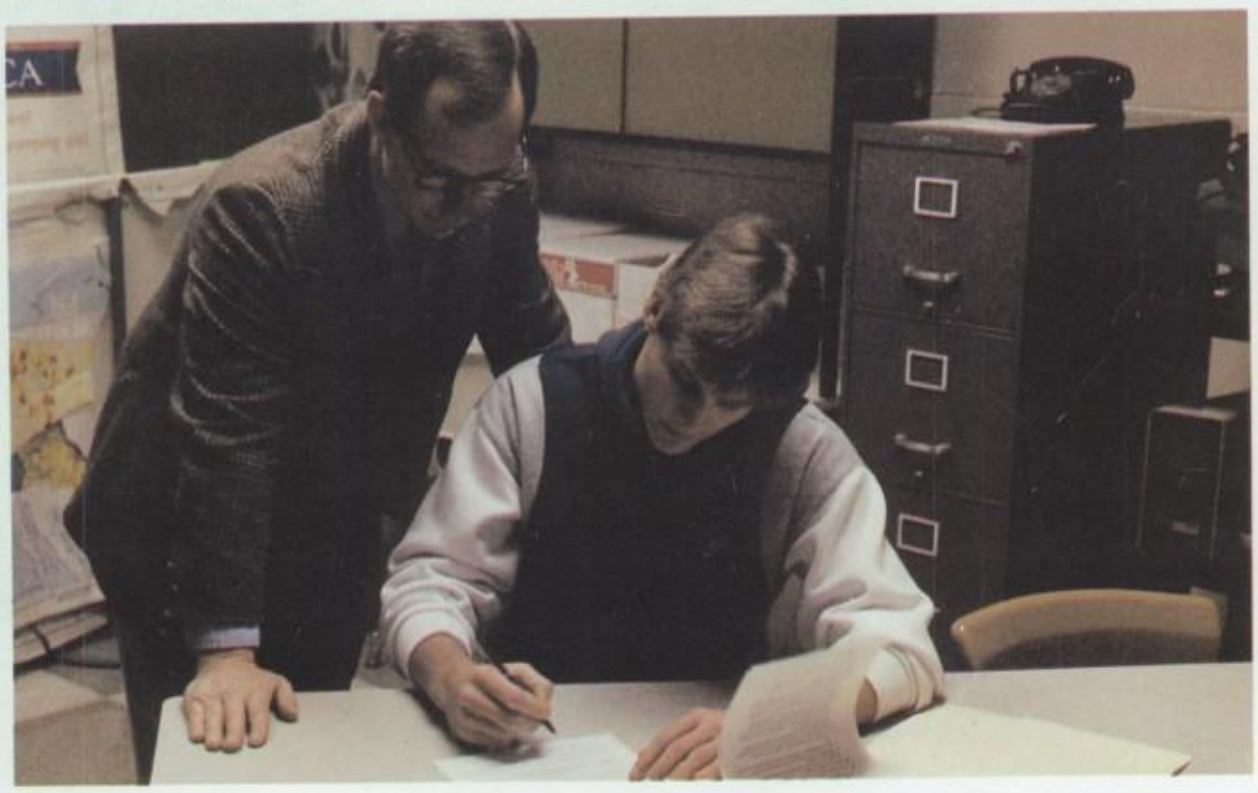


Achievements

Maumee students have achieved success in many areas by their exertion, skill, practice, and perserverence. The athletics, academics, community involvement, and citizenship have brought on small triumphs which added up to great achievements this year. In all the various programs MHS students reached high levels of achievement. From being choosen to be honored at various service clubs, to being cast in the fall play, through all levels of school life Maumee students have achieved great satisfaction.

Most importantly, Maumee students have pride. A place where "everybody is somebody." Supporting our teams and individual efforts of other students is one of the greatest achievements accomplished this year at Maumee. The pride continues to grow.





Opposite page clockwise from Top Right; Teachers at Maumee are so cute; Homecoming Queen and her court; Maumee Band and majorette; Tony DeMain pins an Anthony Wayne General.
This page from far Upper Left clockwise; Christmas choir at Portside; Tim Russwinkle and Eric Bennington helping out along the sidelines; Homecoming Queen, her court, and their men; Mr. Bigelow watches Matt Kinnee sign a letter of intent; Nancy, Erin, and Melanie at the Girls Basketball Banquet; Fall Sports Banquet.

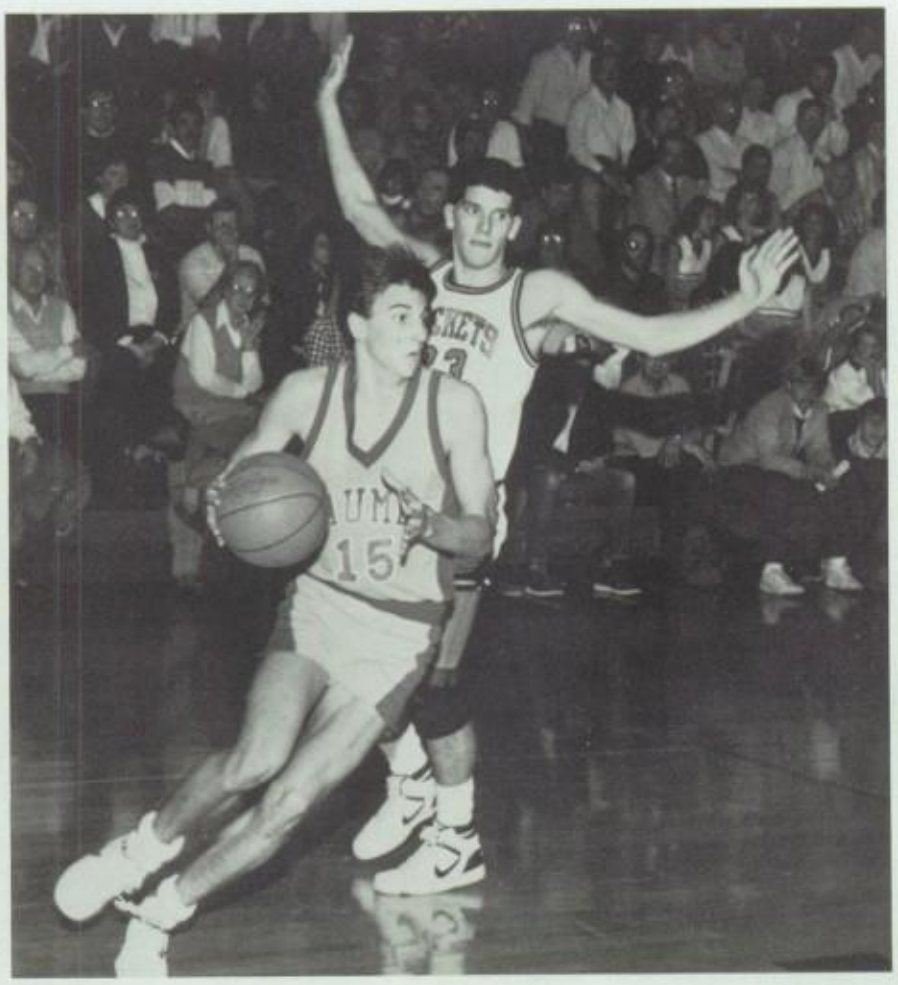
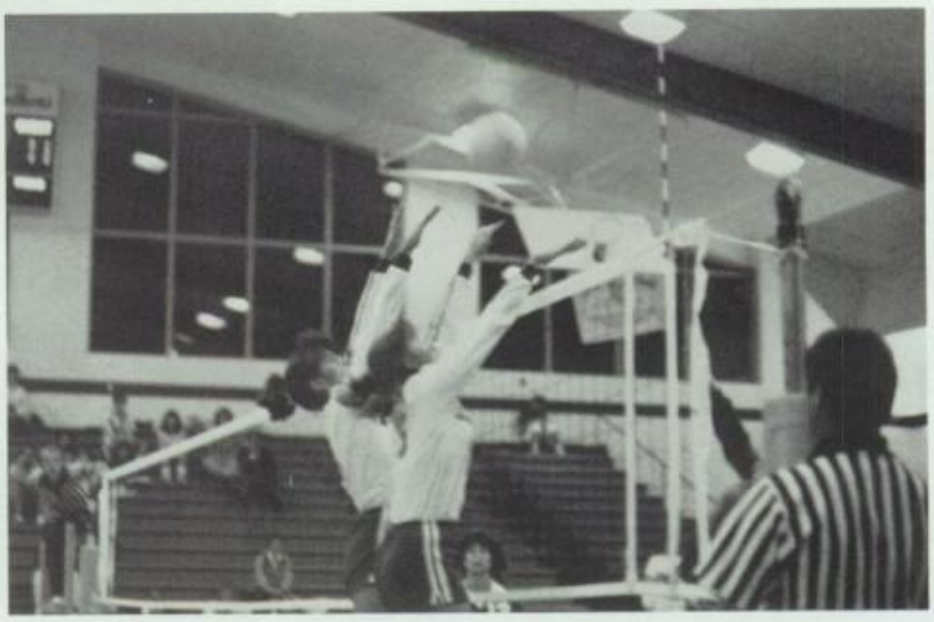
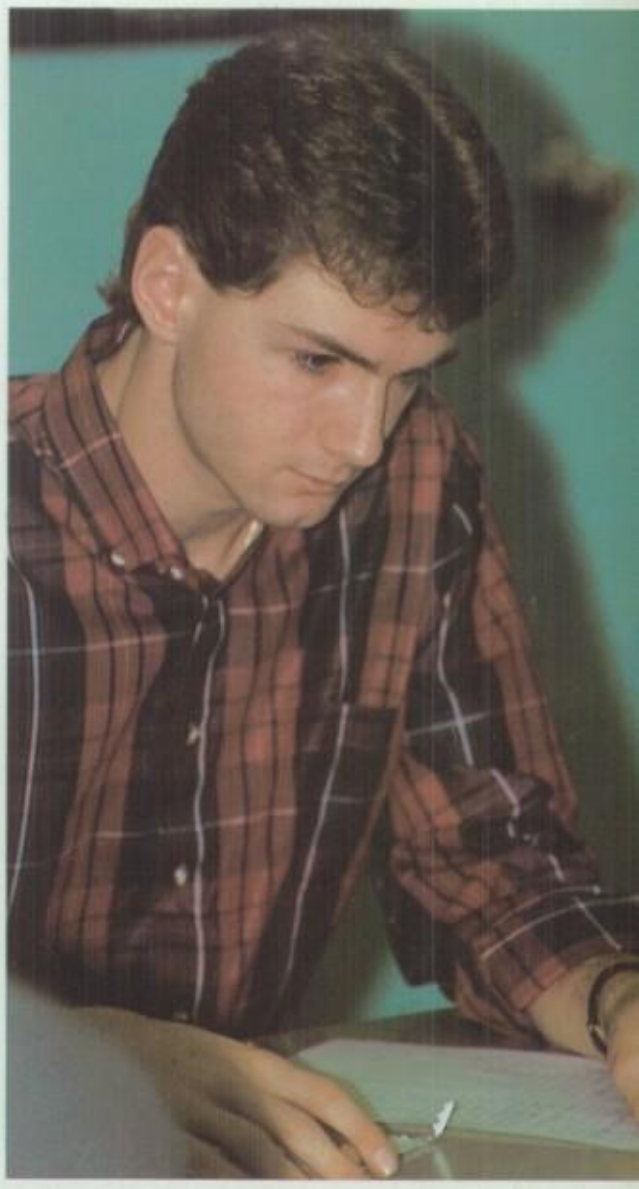
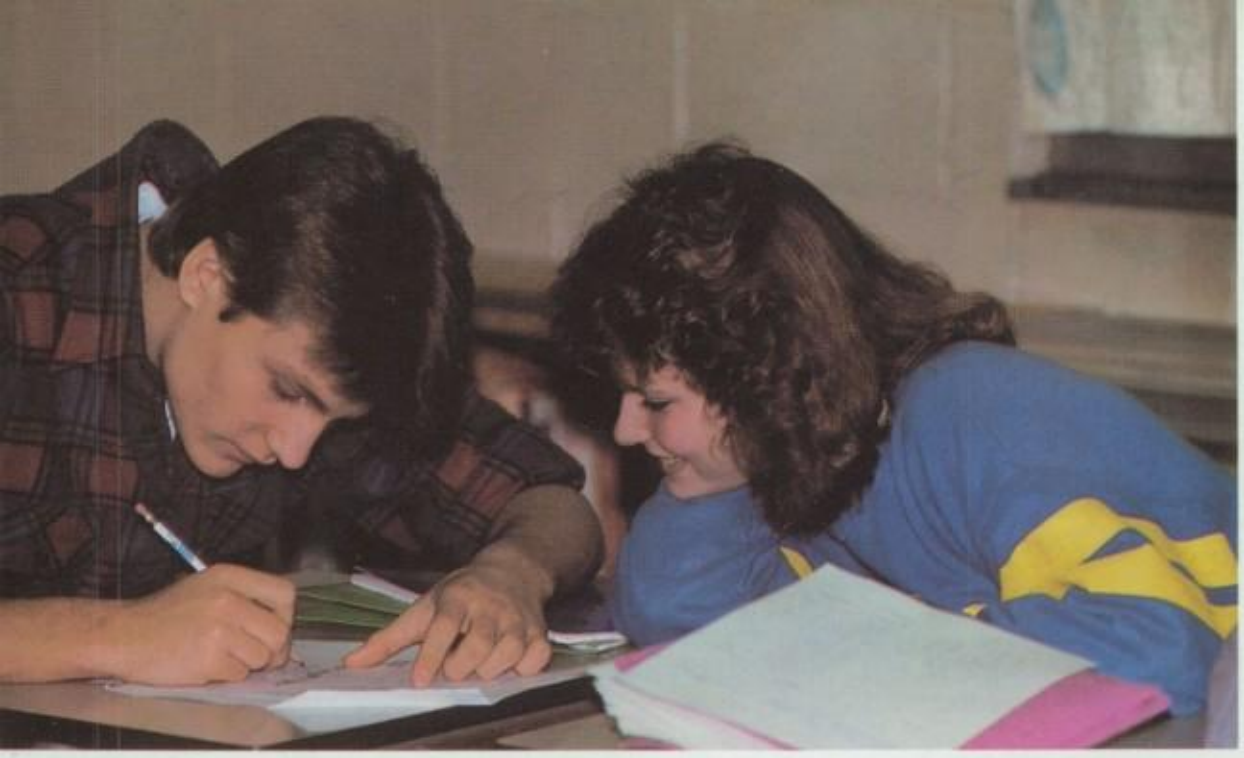
DIRECTIONS FOR THE FUTURE

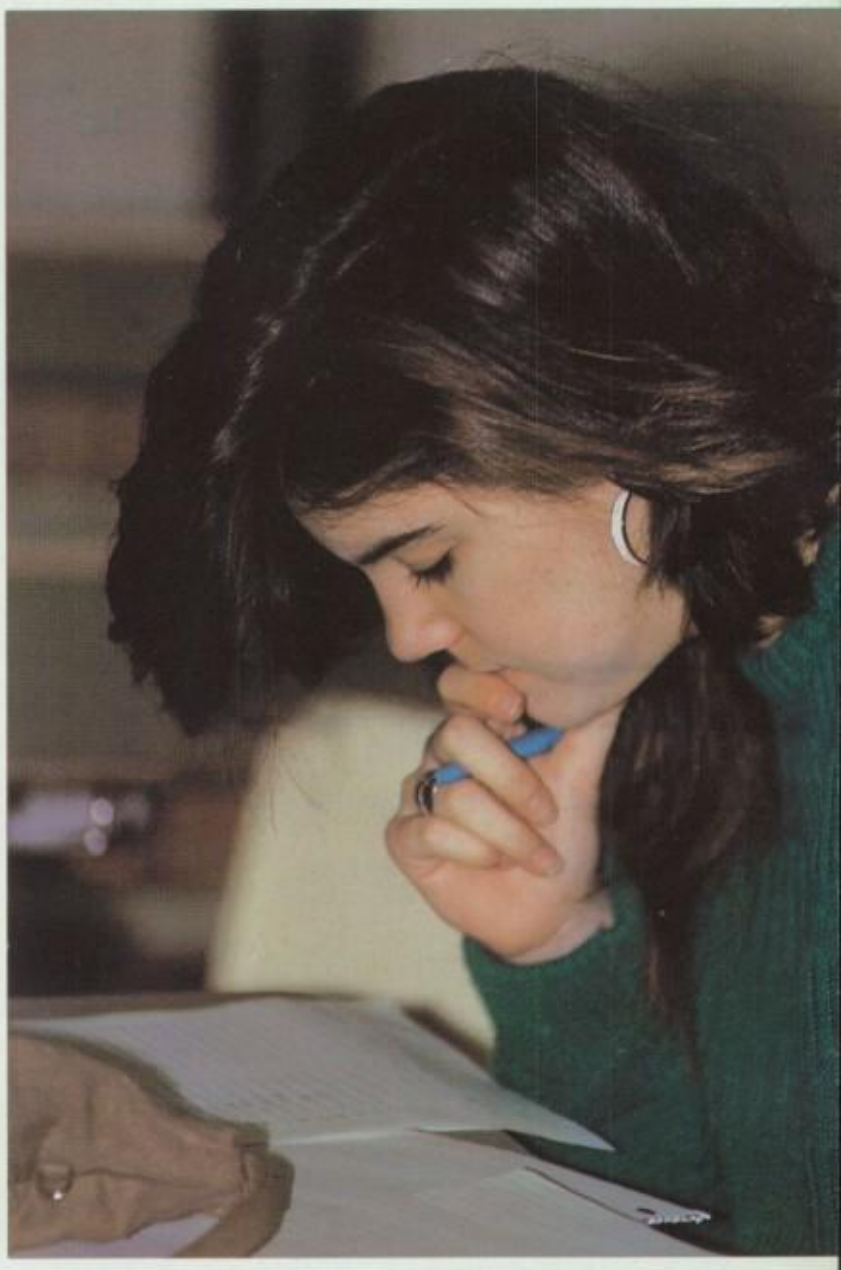


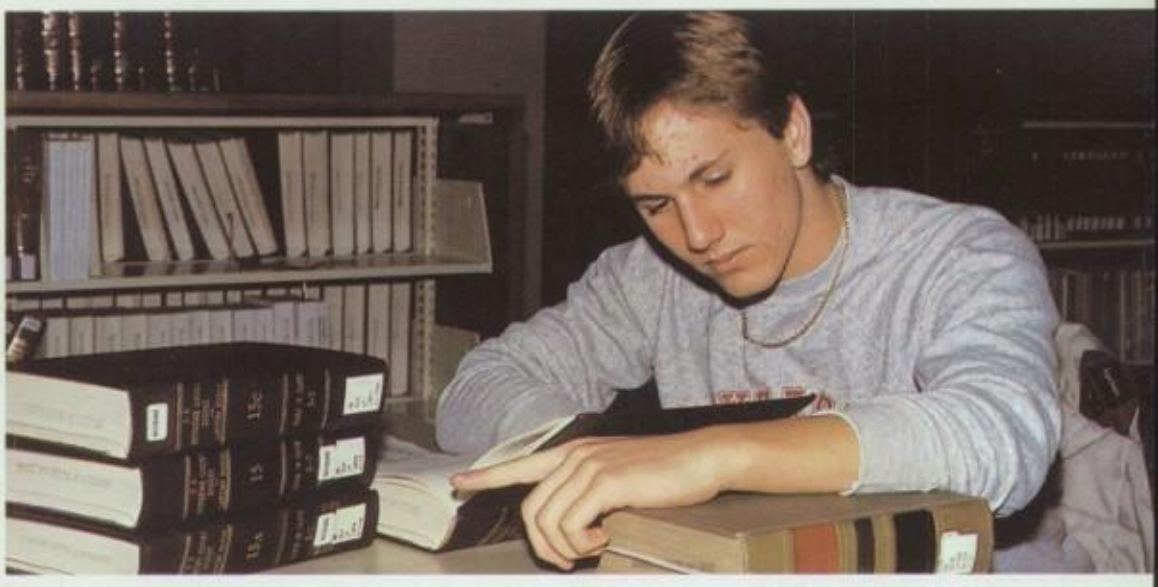


WE'VE









Academics

Academic pursuit is the main reason many students work so hard at Maumee High School. Every year at commencement many of Maumee's students are presented with high honors received through their pursuit of academic excellence. The dollar amount of scholarships is one way of showing the practical results of a Maumee High School education. Everyday, if one were to walk the halls of MHS he would be amazed and impressed at the learning going on in each and every classroom.

Maumee High School is proud of its graduates and the way in which they are prepared to face the challenges of the coming years and are prepared to succeed in many areas and fields.

the Bungalow

Once a year, before MHS turns out a new group of graduates, the seniors are given a chance to view life from the other side of the desk — the teacher's side. As they assume the persona of a teacher, students work to coordinate lesson plans that will be fruitful and challenging for both the new teachers and the old students. It's a unique learning experience that is truly fun.

Faculty at Work

Jennifer Evans

The flame of excellence which fires the Maumee School District's ongoing quest for improvement was diminished somewhat last week (July 16, 1987) by the sudden and tragic death of one of our high school teachers, Mrs. Jennifer Evans. Mrs. Evans personified everything positive one associates with the word "teacher." An alumna of Bowling Green High School and a 1977 graduate of Ohio University, Mrs. Evans had taught English and Public Speaking at Maumee High School for the last ten years. In addition to her teaching reponsibilities, Mrs. Evans also assisted students through extracurricular activities, serving during various school years as dance club adviser, assistant drama director, assistant debate coach and speech coach.

And Mrs. Evans further contributed to the school district through her participation in professional activities. She was a presenter at both local and area inservice workshops for fellow teachers, spoke at a speech conference in Chicago on "How to Develop a High School Forensic Program," and most recently served as co-chairperson for the 1986-87 North Central Evaluation of Maumee High School.

Active, enthusiastic, professional, organized, and, above all, caring -these are all adjectives that accurately described Jennifer Evans. She had no need to use her authority as a teacher to manage and motivate students, even the reluctant ones. Her attitudes and presence commanded respect, and her sincere dedication to students' well-being earned their regard . . . Excellence, in teaching as in any other endeavor, does not come easily. It requires continual effort and commitment. Mrs. Evans had these qualities, and now it is up to us, her surviving students, colleagues and friends, to insure that the excellence she personified burns steadfeastly . . .

Tribute To Excellence

These pages are dedicated, with affection, in memory of Mrs. Jennifer Evans, whose death July 16, 1987, saddened each of us. She will be remembered for her arresting smile and amiable personality. She affected those she knew in a special way. Her school spirit and professionalism will serve as a touchstone for students and faculty. Her sense of humor that brightened each day will be sorely missed. She was always ready to share her time, ideas, and a good story. Her belief in education was reflected by her dedication to academic excellence. Jennifer will be missed but will also be fondly remembered . . . .

You Deserve a Break Today

Usually behind the scenes, our support staff ably does the big things that are often taken for granted on a daily basis. Repairing, cleaning, and cooking are some of those things that just seem to "happen."

Powder Puff Football

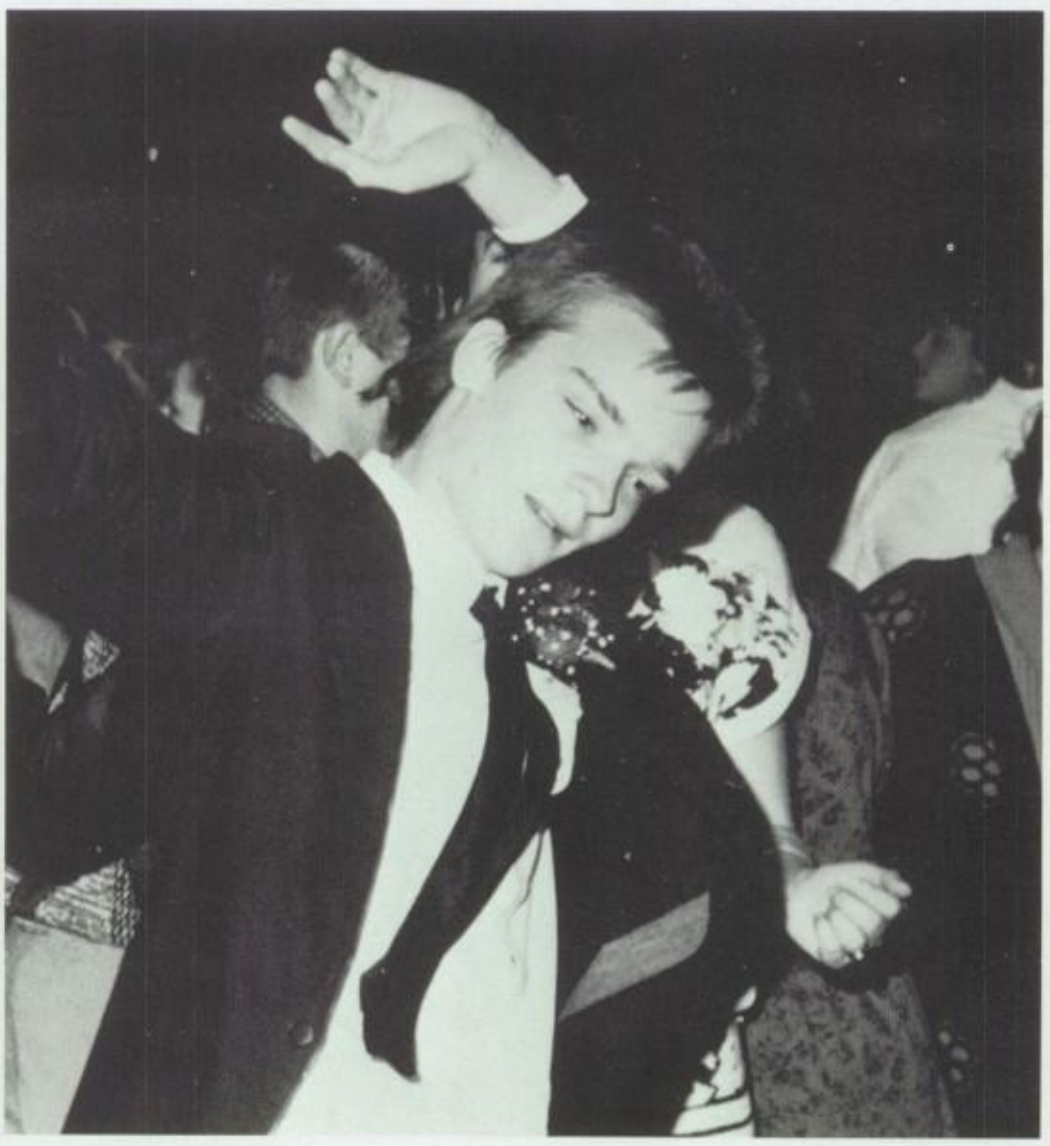
Once again our lady Panthers sacrificed their curling irons and tied back their hair in order to get down to the nitty "griddy" of real athletic competition. Practicing long hours with top-notch football coaches, they learned complicated plays, planned strategies, and gathered assorted bumps and bruises. All for fun!

Senior/Freshman team wins!!

Homecoming 1986

This year's homecoming was an event to remember. The student body cast their votes to make Kristy Freitag the queen to reign over the homecoming festivities. Other members of the court were Tammi Diehl as senior attendant, Kristi Christopher as junior attendant, Morty Walters as sophomore attendnant, Tina West as freshman attendant, and Karrie Shanteau as Penta attendant. Kristy was crowned by last year's Queen, Jodi Pratt.

The varsity football team contributed to the success by defeating Rossford 42 — 8 keeping their undefeated status. High spirtis carried over from Friday's game to Saturday's semi-formal dance. The theme was "About Last Night" . . . and was conducted under the auspices of Queen Kristy.



"Just You and I . . ."

The theme of this year's Junior-Senior Prom was taken from the song *Just You and I.* ***The Junior Class officers decorated the Student Union at Toledo University with streamers and balloons of silver and black. Most students who attended had dates, although some chose to attend stag. For most students the evening started with dinner, followed by the prom, and wound down with early morning activities such as attending parties and bowling a few frames.***

Runaways

This year's fall play was Elizabeth Swado's *Runaways* ***, a dramatic portrayal of the lifestyles of runaway children. The play was received well by the audience, which had an emotional tug of war with some of the themes. For the players, the task of actually being a ragged, hungry, love-starved individual was a real challenge. There were essentially no large or small parts, as much of the production was done as a chorus. Mrs. Meyers, the director was assisted by Mrs. Stalter and Jennifer Arquette.***

Halloween Dance

No longer is Halloween the only night for ghosts and ghouls. On the night of November 1, Maumee High School produced many of its own fiendish phantoms. The cheerleaders sponsored the first dance of the year and almost everyone came dressed for the occasion. Steve Mason served as disk jockey.

Student Council

Creating, producing, and managing events and maintaining the student-faculty-administration bridge is often a thankless and unnoticed job. And because things run so smoothly, the low profile of student council is inevitable. BUT — dare to look at what these hard-working people have accomplished.

Experiencing Language and Culture

The Foreign Language Clubs are organizations whose main goals are to provide extra opportunities for cultural and linguistic learning activities. The clubs also participate in the University of Toledo's *Foreign Language Day.*
This year the German Club sponsored by Mrs. Liga Daiga hosted nine students from the Federal Republic of West Germany who lived at the homes of Maumee students and attended classes at the high school with them.
Several Maumee students went to West Germany in June in exchange. Each group (German and American) experienced the cultural differences of each other's country.
Accordingly, The Friendship Connection, coordinated by Winzer of Hudson, Ohio, is an exchange program that pairs up German language students in Ohio and Western Pennsylvania with West German students who are studying English.
The German Club also took a field trip to Frankenmuth, Michigan, where they ate at the *Bavarian Inn* ***,visited shops and walked around town.***

National Honor Society

The National Honor Society inducts new members each November. Current members go to the classrooms of the new inductees, present them with carnations and escort them out of the room.

After the tapping, old and new members have breakfast at a local restaurant. In order to be considered for the National Honor Society, juniors need a 3.5 Grade Point Average and seniors need a 3.25 GPA. Participation in extracurricular activities and good citizenship are also requirements.

DECA

The Distributive Education Clubs of America (DECA) participated in district competition against 300 Marketing Education students from Northwest Ohio at Owens Technical College on February 20.

Winning first place in Team Management were seniors Aaron Pugh, Dave Klostermeyer, and Todd Tunison. Also winning first place in Restaurant Management was senior Sue Gibson.

Senior Mark Johnson won second place in Petroleum Retail, as did senior Travis Walker in Restaurant Marketing.

Capturing third place was senior Stephanie Foos in Apparel and Accessories. Senior Lisa Cimney took fourth place in Job Interview and also took fifth place in Restaurant Marketing.

Other fifth place winners were seniors Jim Heckman in Petroleum Retailing and Eric Lemle in Adveritsing and Display.

Those who placed in third place and above went to State competition in Columbus in March and third place and above there was a ticket to Nationals in New Orleans. In the Chapter of the Year Contest, Maumee captured fifth.

DECA was involved in many school and community activites during the year. It attended an Entrepreneur Seminar at Bowsher High School in February. It was presented by ten area entrepreneurs. The businessmen discussed various precautions that have to abe taken when running a business, such as preventing shoplifting.

For Teacher Appreciation Day in March, DECA placed apples and flowers in teachers' mailboxes and put doughnuts in fthe faculty lounges.

DECA created mock businesses in April in an eight-week project. In establishing their own business, they will have to determine not only the type of customer they want to attract, but also the kind of product they wish to sell. Later they developed advertising strategies and campaigns for their products. It was a true learning experience.

CHEERLEADERS

Cheerleaders are chosen for their skills and for their ability to keep spirit alive in the school. Being a cheerleader inspires awe in many and spirit in all. The long hours of practice, studying, and making locker signs may seem tedious but the cheerleaders never seem to complain. Trying to make people want to come out and root for the team is one thing but succeeding is another.

Varsity Football

The phenomenal success of the 1986 Panther team was directed by Head Coach Hal LaFountaine. Leading their team to a perfect season, were this year's captains, Dave Barker, Matt Kinnee and Brian Walczak.

Sports history was made at MHS! The 1986 varsity football team completed the season with the first 10-0 record in the 69 years that the sport has been played at Maumee High School.

Along with the perfect season came other highlights that included the N.L.L. Championship, The Toledo Blade Trophy as the best Division II team in Northwest Ohio and the first-ever appearance in the state playoffs.

The Panthers outscored their seven league opponents 194-46.

A shutout 28-0 victory over rival Perrysburg returned "The Bell" to its rightful place in the high school courtyard as a daily reminder of the thrill of victory and the agony to the Yellowjackets of their defeat.

Coach LaFountaine gives his players some final instructions.

J.V. Football

The J.V. Panthers fought to a winning record this season under the guidance of coaches Jim Oswald and J.L. Bigelow. The highlight of the season was a shutout victory over rival Perrysburg by a 29-0 score.

Quarterback Ron Hornyak lead his team to a winning 5-2-1 record to place the J.V.'s near the top of their league.

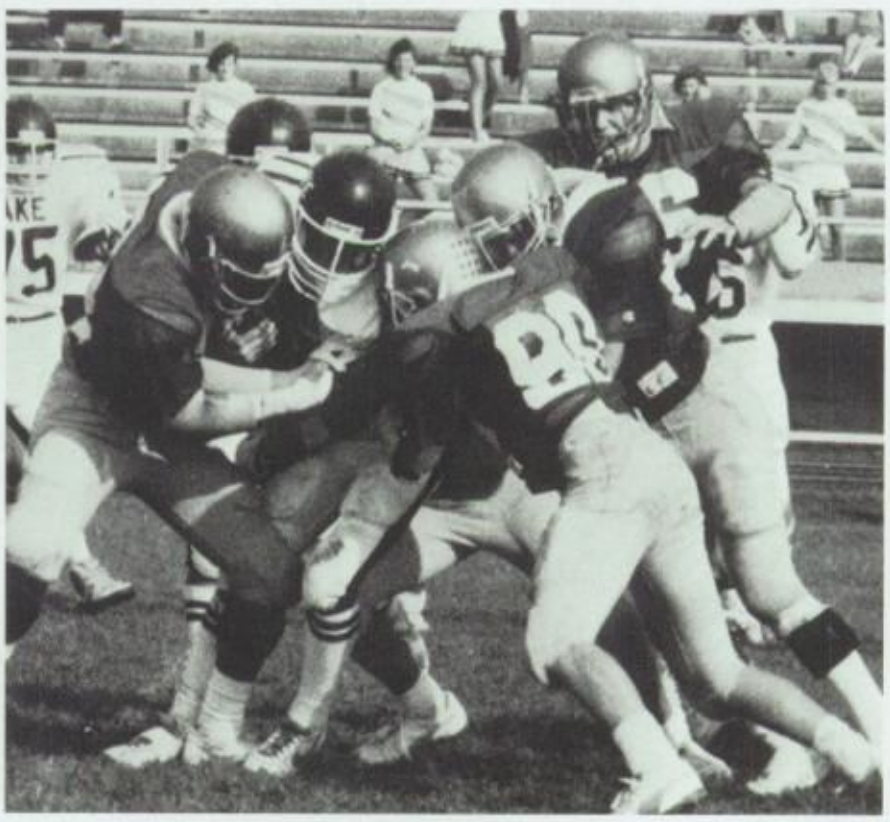
Freshman Football

The 1986 Freshman Football Team won first place in league standings this year with a perfect record of 7-0. Though Freshman Football seldom receives the notice and support that is shown the varsity team, their determination and their intensity on the field brought the recognition they deserved.



What is it that makes a person run their hardest for over three miles through the sometimes muddy X-country trails with little reward other than the time on a stopwatch? The cross country team is composed of people willing to do that.

This year's squad improved greatly over last year, boosting its record to 10 — 4. Most valuable runner was co-captain Trent Buehrer.

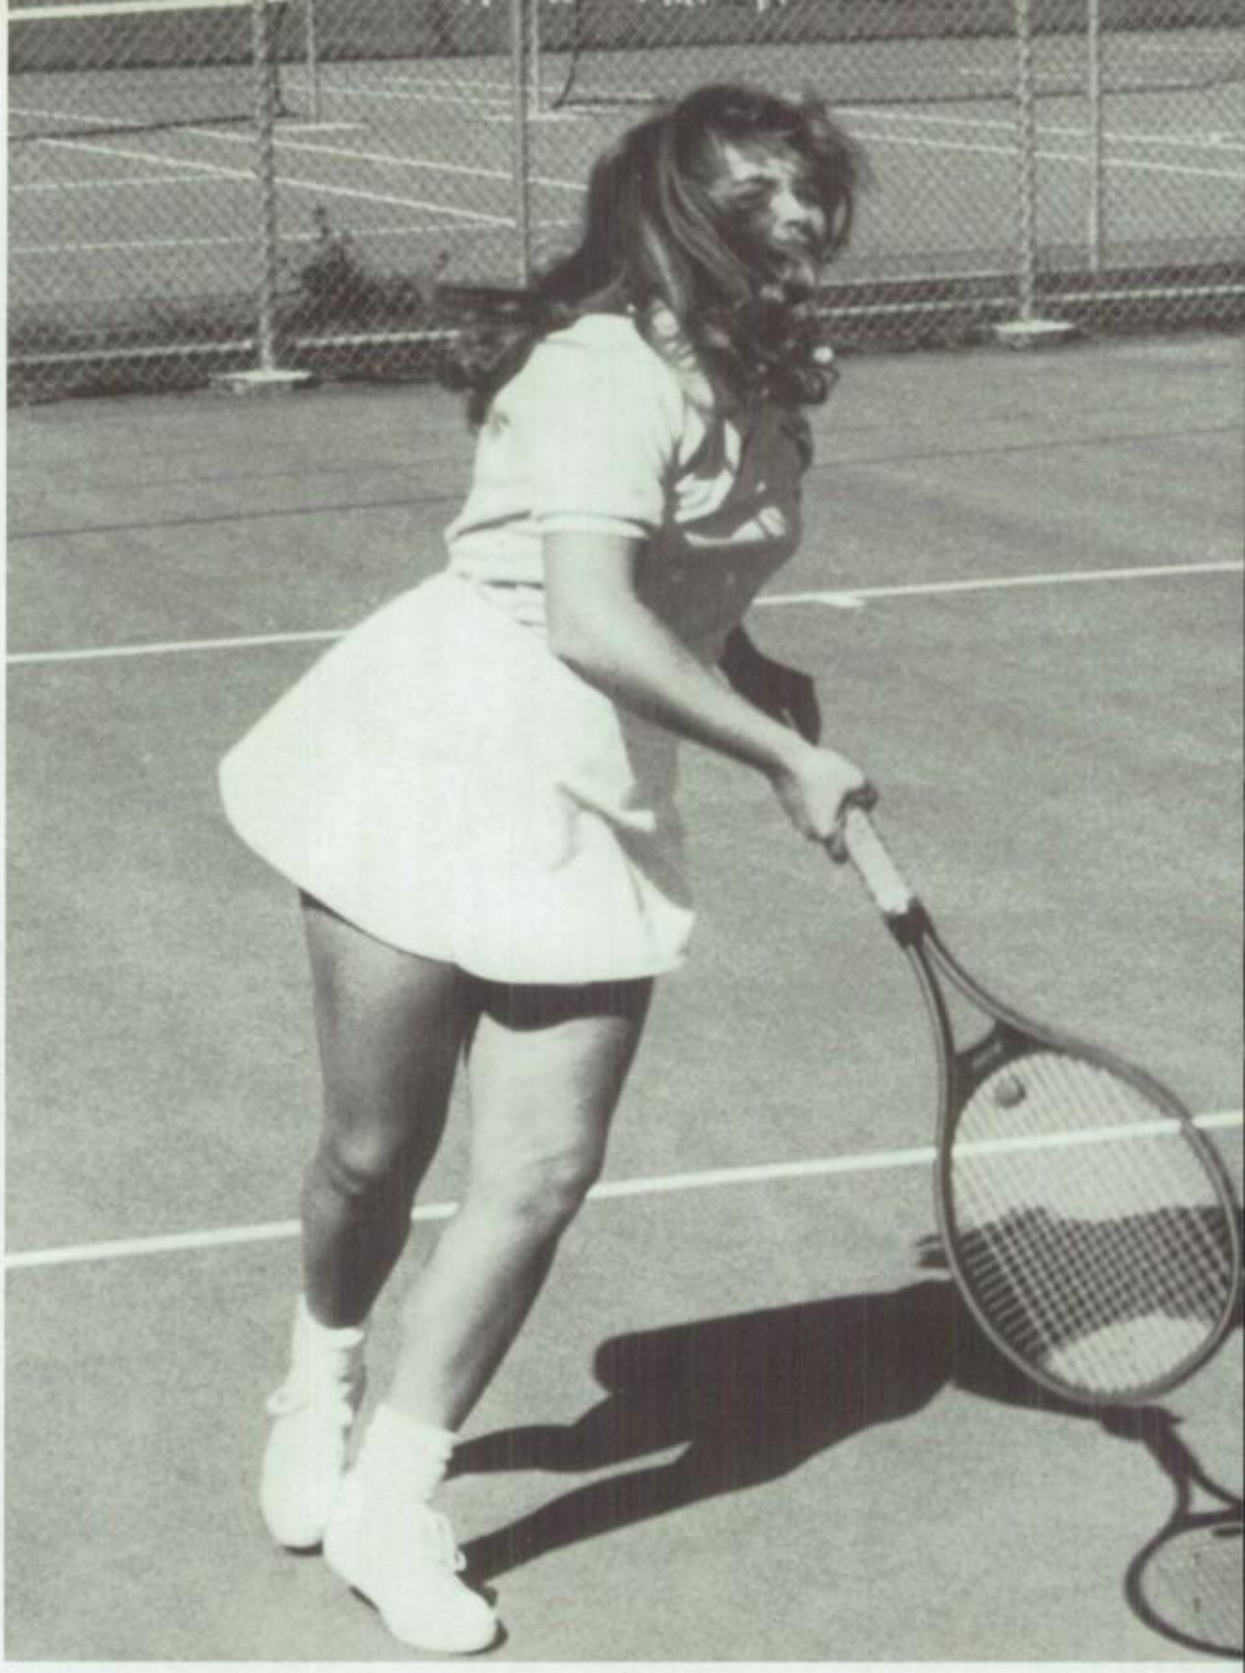
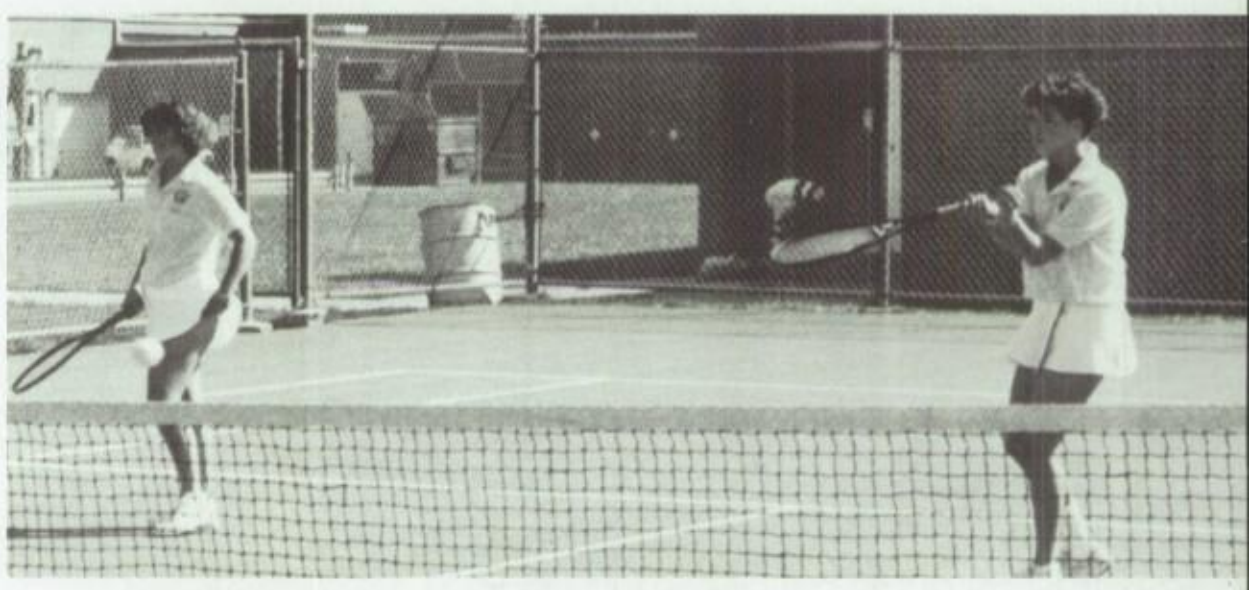
J.V. Girls Tennis

The J.V. girls had a nearly perfect season this year, finishing with an 8-1 overall record and a 5-1 record in the league. The only loss for the season was a defeat by Anthony Wayne.





Season highlights include Holly McCollom's perfect 8-0 season record and t 7-1 records of super freshmen Laura Mayer and Courtney Teen.

Varsity Girls Tennis

The 1986-87 Varsity team was dominated by five seniors who added a great deal of combined experience for a very respectable season finish. The overall record for the year tallied 10-3 while the team suffered only one loss in league play for a 5-1 NLL record.

Girls Varsity Basketball

For the first time in four years the girls did not win the NLL championship. They finished 2nd behind Perrysburg with a 12-2 league record. Their first loss to Perrysburg, by a 36-35 score, broke a 31 game NLL winning streak built over the last three seasons.

Midway through the season the team record stood at 6 and 5. The girls then won their next 12 games before bowing to state finalist Central Catholic in the District semi-finals at Northwood. The girls reached the District tournament for the third year in a row. Only two schools in NW Ohio, Maumee and Central, have accomplished this. Along the way were upsets over NLL champ Perrysburg 62 to 52 and third-seeded Whitmer 46 to 45.

Senior Erin Vick was the Panther's number-one award recipient. The team's lone third year player (also chosen its most valuable), Erin was presented a plaque from Maumee High School's athletic department for being named to the 1986-87 girls' basketball by UPI and AP. Erin was also named the Northern Lakes League Player of the Year, an NLL First Team member, a District Seven First Team and the district's Player of the Year (chosen by the coaches). She was also honored as a participant of the North-South All-Star game.

Second-year varsity Panthers included seniors Anne Hover, Nancy LaFountaine, Marissa Maurer, and Jan Pease. Hover was further honored with the team's Attitude / Leadership Award.

Making up the rest of the Lady Panthers were these first-year members: Senior Bonnie Oswald; juniors Kim Gavorski, Lisa Robinson, Beth Scheffert, and Paige Teets; and sophomores Jenny Farthing and Vicki Woods.

NLL Senior All Academic Team certificates were awarded to Hover, LaFountaine, Maurer, Maurer, Oswald, and Vick for attaining grade point averages of 3.0 or higher (on a 4.0 scale).

Helping out behind the scenes for the varsity girls were manager Donnett Cotton, scorekeeper Michelle Dardenne, statistics and equipment manager Eric Bennington, and timer Jim Parker.

Varsity Wrestling

The varsity team, coached by Mike McDermott finished 12-4 in dual meets and placed fourth in the league meet, ninth in the district, and 21st in the regional. The Panthers also placed fourth at Springfield, fifth at Rogers and third at Perrysburg.

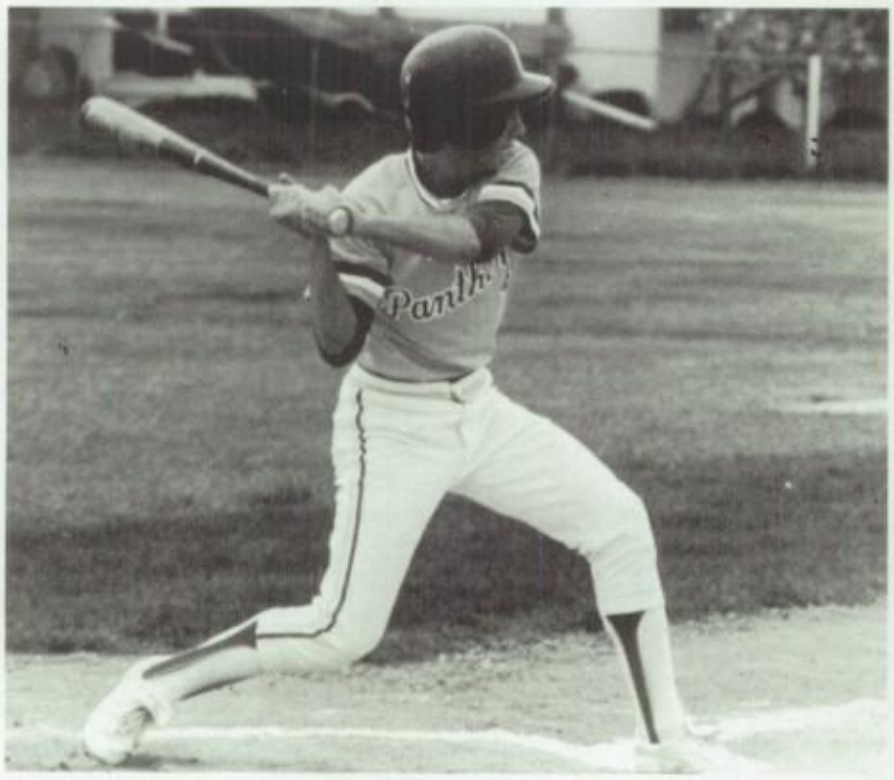
Third-year varsity team member and captain Brian Walczak reaped the highest honors of the Panther grapplers. Walczak, who received a plaque with the inscription "Maumee's First Two-Time State Placer," finished first at Rogers, first in the N.L.L., first in the district, first at Springfield, third at Perrysburg, third in the regionals, and fourth in the state. He was also voted the team's most valuable wrestler.

Tony DeMain was this year's lone 4th-year varsity member, and other third-year varsity participants included John Hoffman, Mike ***Kent, Russ Freeman, Tim Monroe, Pete Navarre, Dan Valentine, and Matt Weekley.***

The Junior Varsity Team won the N.L.L. championship. Robert Leal was undefeated and voted the outstanding J.V. wrestler. The Freshman Wrestling team placed third in the league with Brian Buck being named the outstanding freshman wrestler. Brian Buck along with Dennis Woods also earned varsity letters as freshman.

Varsity Baseball

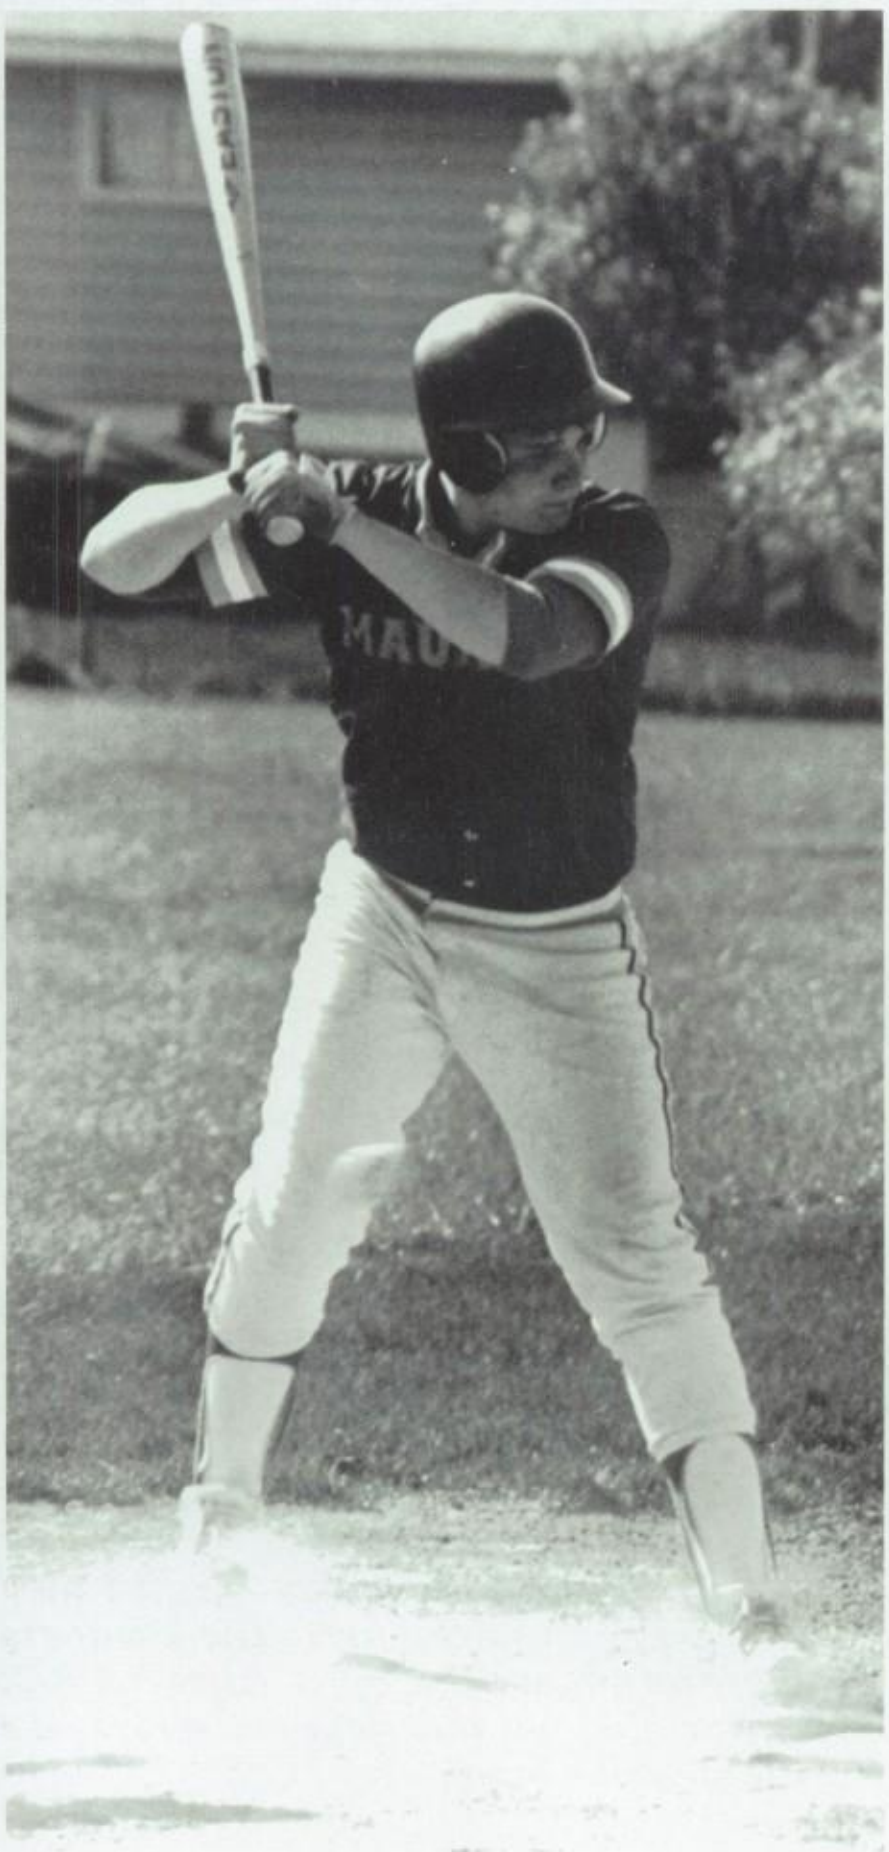
The Varsity Baseball season was a roller coaster season for the Panthers. They started the season by destroying some very good baseball teams by large margins. However, the Panthers cooled off somewhat as they lost to teams they should have defeated.



Clockwise from below: Dave Winding up for the pitch; The team gathers before the game;Shawn waiting for the ball; A Panther ready for a fast ball.

The Panthers opened the home season against Macomber, coming from behind to win by a score of 5-3. Senior Bryan Pouter put the Panthers ahead for good as he slammed a two run home run. Metzger recorded the win for the Panthers as he struck out five and allowed just five hits for the game.

In the Panthers second game in sectional play May 12 they did not fare as well as they did in the first. The Panthers were defeated by the Start Spartans by a score of 8-3. Barker gave up only five hits, but due to seven errors, the Spartans were able to defeat the Panthers.



JV Baseball

The Junior Varsity Baseball Team had a disappointing season this year with an overall record of five wins and ten losses. Teams the JV Panthers rallied to beat were Start,Anthony Wayne, Ottawa Hills, Sylvania Southview, and Rossford. Their record in the NLL was 3-10. The disheartening season came to an end on May 26 with a 2-6 loss to Lake High School.

Clockwise from upper left: Coach McIntire converses with players; Steve throws a fast ball; A Panther goes for the fly ball; Steve gets ready for the pitch.

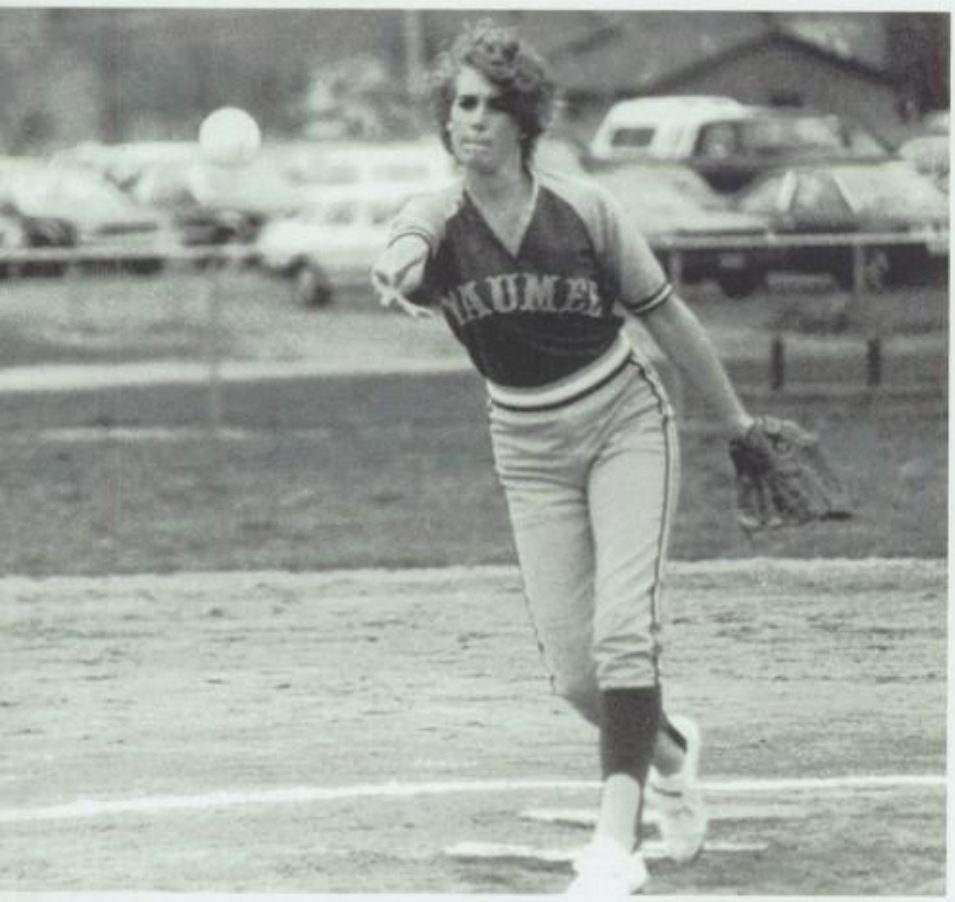
Panther Softballers

When the season started, Coach Robinson did not expect a 26-2 record. However, the softball team not only soared to that mark, but also won the district championship and came within one run of going to the state final four.

The Panthers opened the NLL season with a victory over the Anthony Wayne Generals, but the Generals came back later in the season to halt a sixteen-game Panther winning streak. After this, the ladies rebounded to win 10 of their last 11 regular season games. Their one loss was heartbreaking as the Springfield Blue Devils beat them 7-3 and caused the Panthers to share the league crown with them.

Accolades for individual players were also numerous. Erin Vick, Beth Scheffert, and Bonnie Oswald were named to the first team All Northwest Ohio. Vick was also named to the second team All Ohio squad and Oswald named to the first team All Ohio. Next year looks very promising, as the Panthers return several starters in key position.

Around the Horn With the Lady Softballers



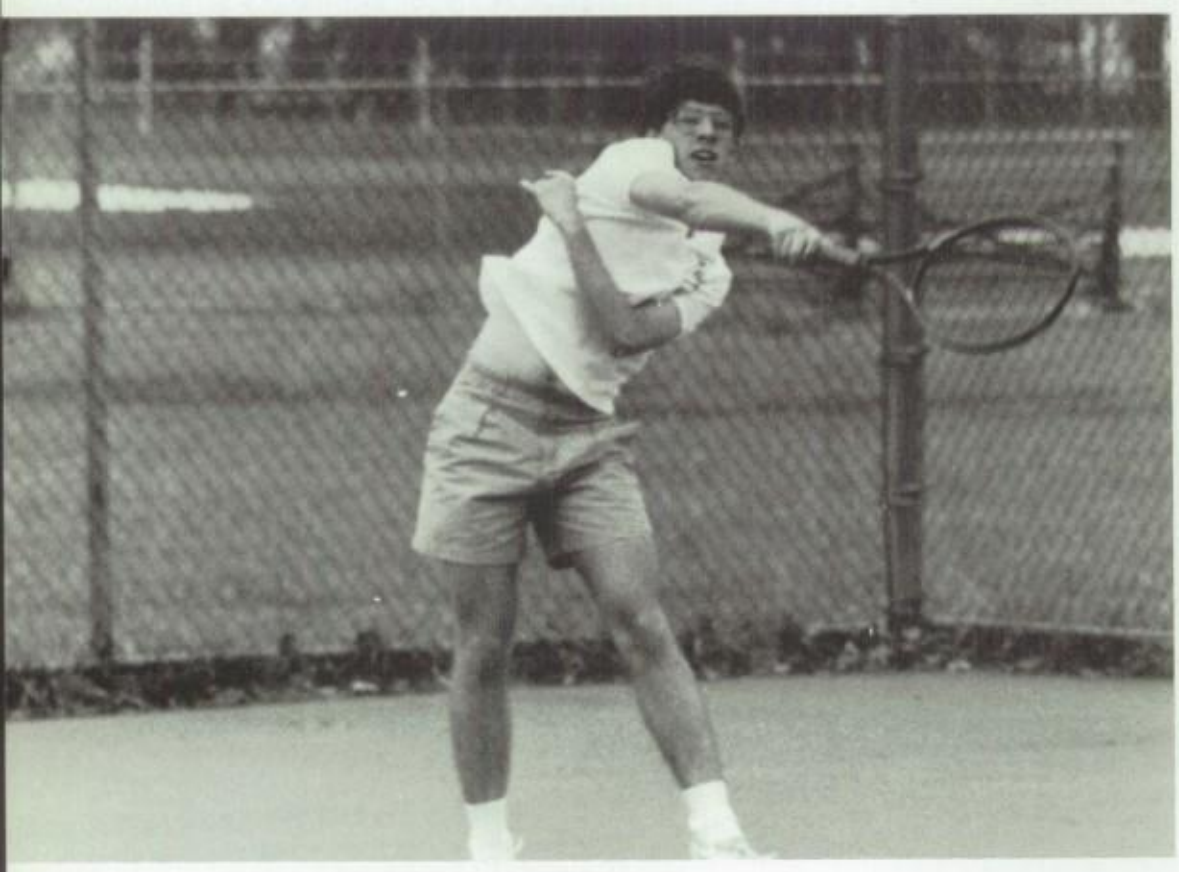
UP AND COMING

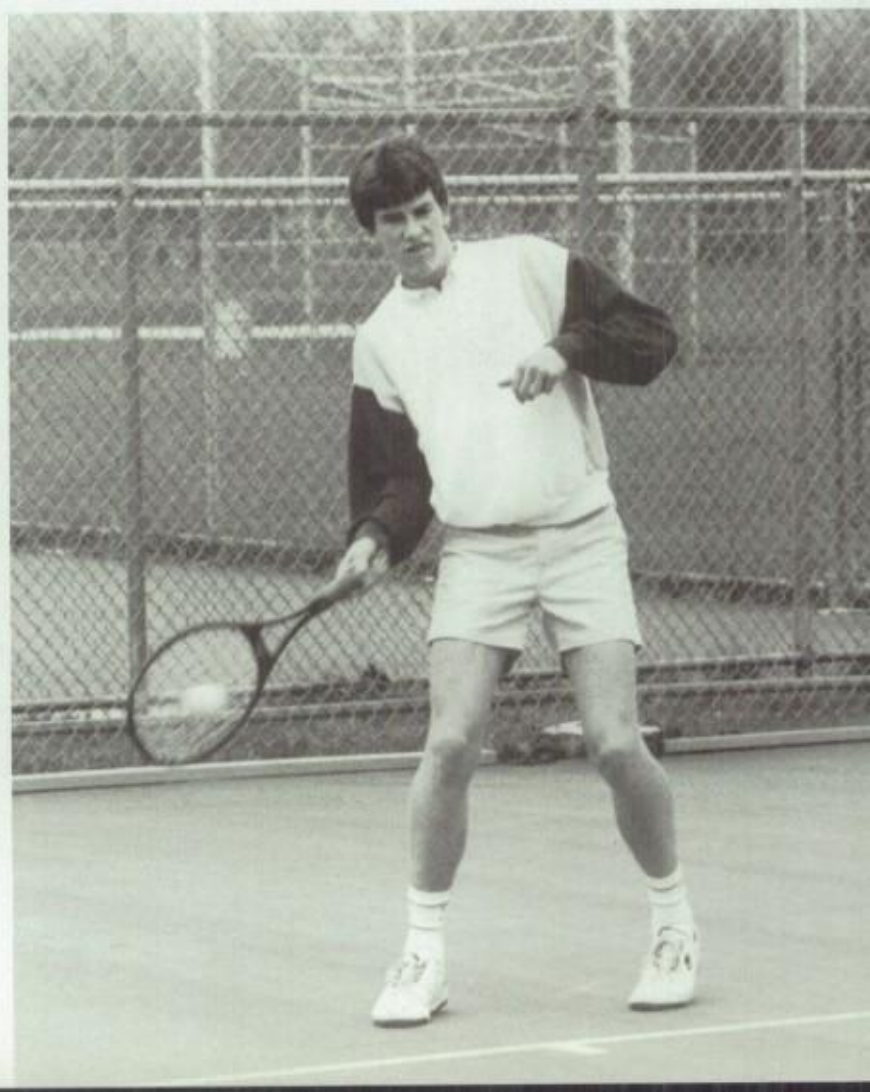
Girls JV Softball

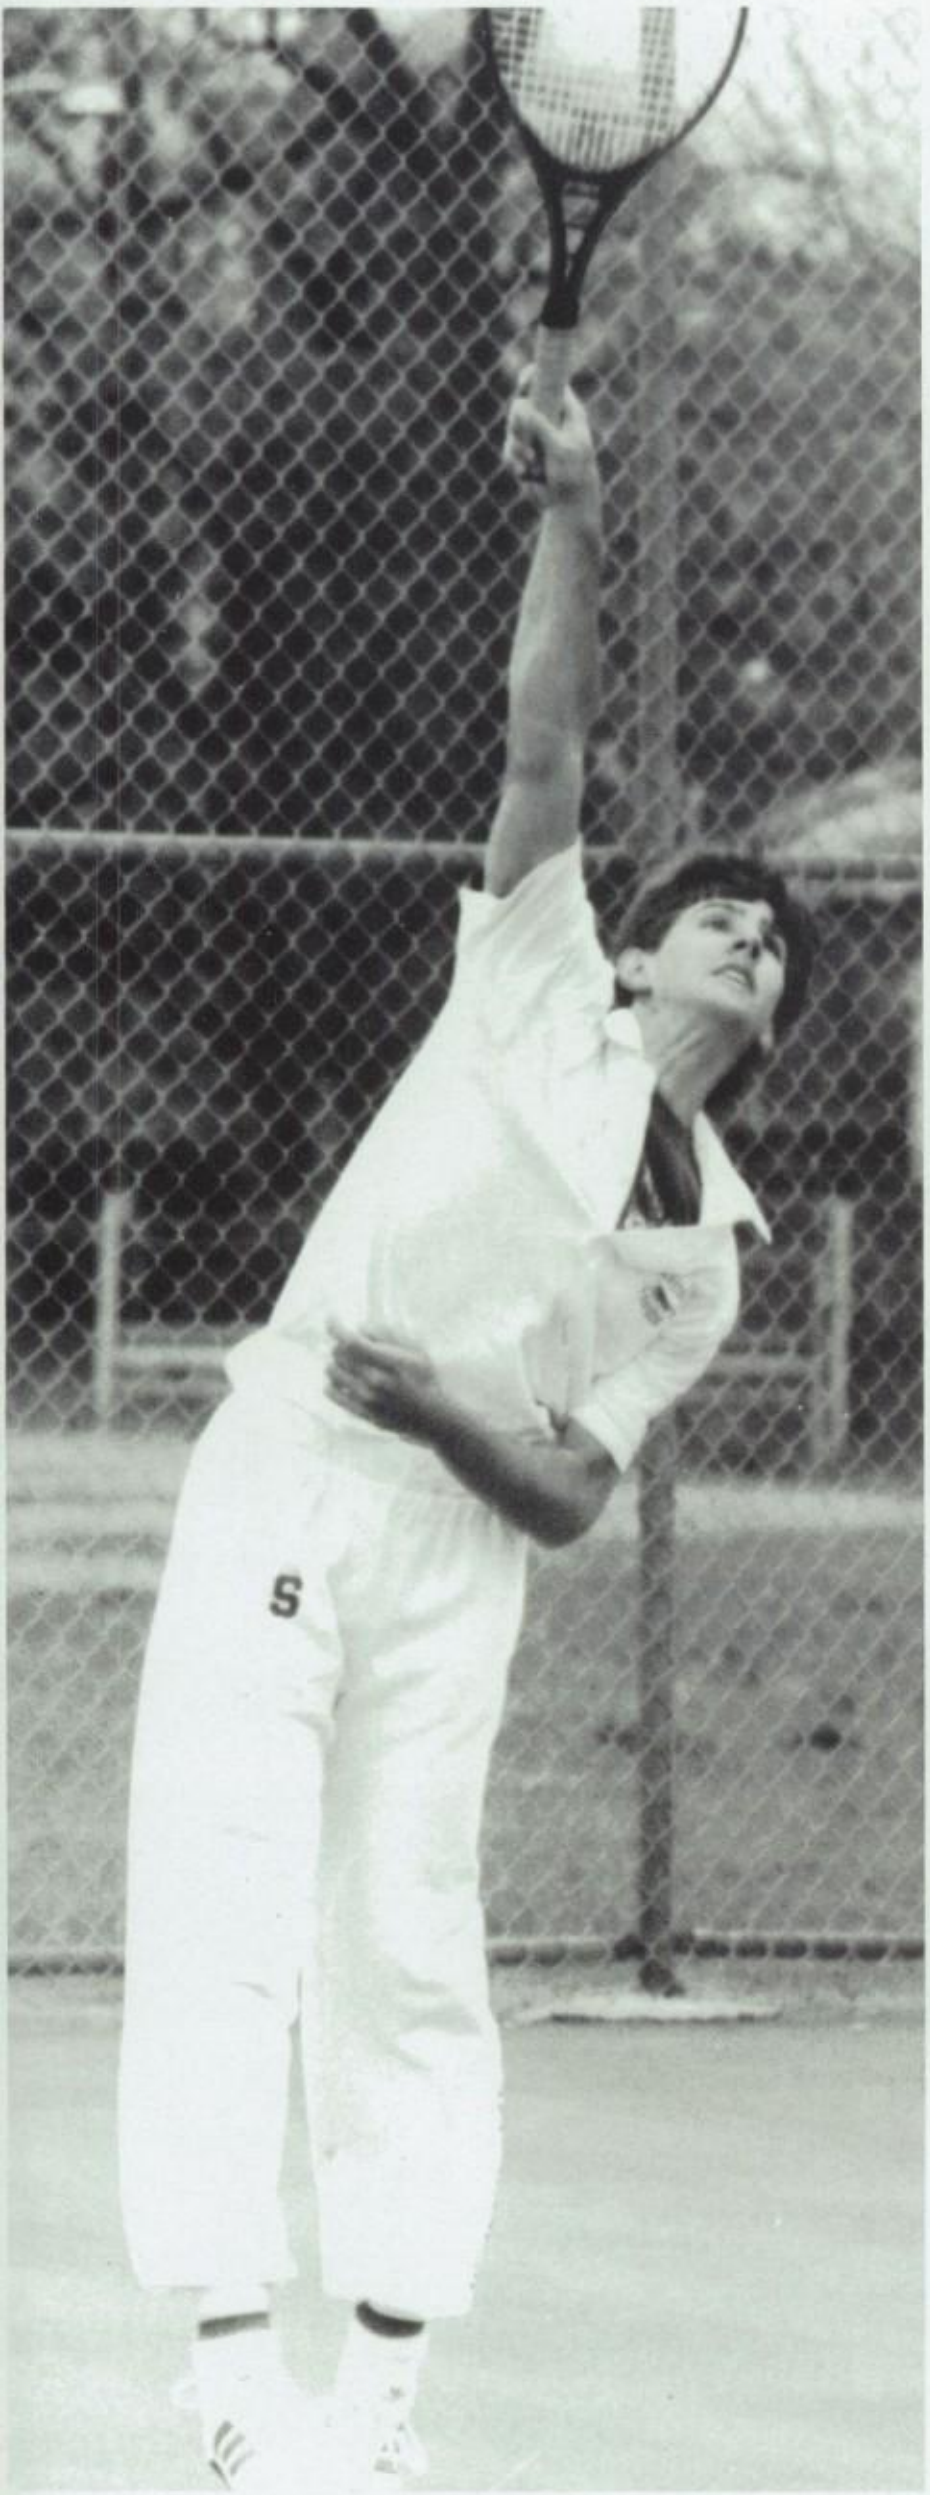
The JV girls had a challenging season this year. With two extra-inning games and many more close ones, the Lady Panthers needed to show poise and control, and they did. The team consisted of two juniors, seven sophomores, and one freshman, who blended well as a team as the season progressed and benefitted from this by winning the needed close games at the end of the season. The teamwork and dedication, with time and effort, paid off.

Boys Tennis

According to Coach Favro, the boys tennis team had a dog fight throughout the season to take a well-earned third place in the NLL, following Southview and Perrysburg.







Clockwise from below: The team gathers during a practice session; Jim returns the serve; Paul reaches to return the ball.

At the Napoleon Invitational Tournament, the tennis team placed senior Paul Schulz in the number one singles spot while Jason John teamed with Brian Lagotte to capture first place in doubles. The remaining team members earned enough points to win the invitational for the first time ever. The team completed the season with an overall record of 9-4.

Boys Track

After dropping the first two games, the track team earned its first victory by defeating Northview.
Overall, the team did not have a good season, but was strong individually. In the NLL Tourney Matt Kinnee placed second in the high jump. The 400 relay team of Kinnee, Mark Kachenmeister, Matt Long, and Todd Cronin also captured a second place.
Coach Tomasic noted, "There are a lot of young kids on the team, and there isn't enough experience . . ."

Speed and Cunning

The boys' track team opened the season with a good performance but lost to Springfield on April 7. Matt Kinnee turned in a 16.9 time in the hurdles for a victory and added a 6′4″ high jump. Mark Hiltman had a 44.8 in the low hurdles. Ben Hazard jumped nine feet in the pole vault competition.

Members of the team include: Trent Buehrer, long distance runner; Jim Grimmm, sprinter; Dan Griffin and Andy Snyder, discus; Jeff Zielinski and Mark Kachenmeister, pole vault; and Derek Stout, shot putter.

The tracksters also staged another successful Maumee Invitational. Finishing well for the Panthers were the shot put, pole vault, and discus teams who placed first.

Off and Running

Advantages and disadvantages arose during this season as a result of having such a young team. Coach Bigelow commented, "The good thing about this is that these girls can stick with us through the years, but the disadvantage is that we have so many who don't know what area of specialization they are good in."

There are five major events involved in track: sprints, distance, throws, jumps and relays. Once training starts, the girls choose the events they feel most suited for.

The girls opened the season by defeating Springfield with a score of 72-56.

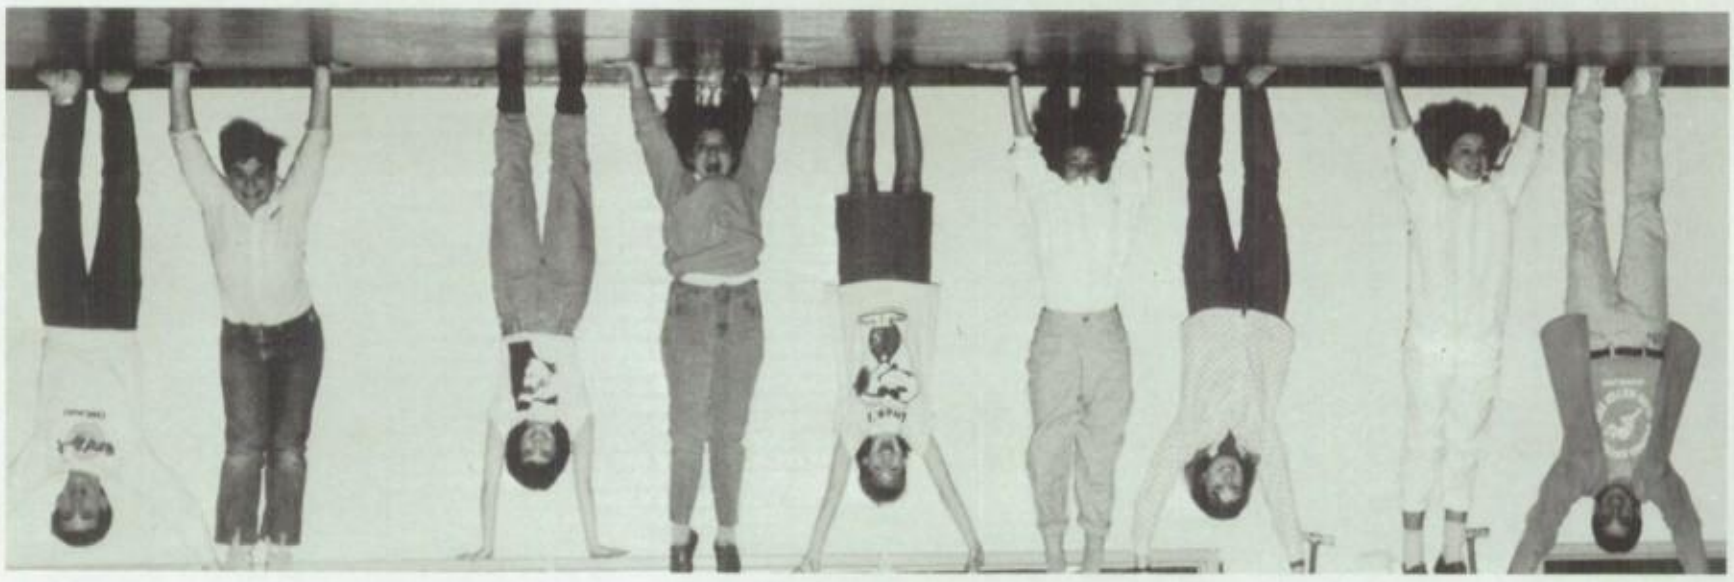
This yearbook is dedicated to Mrs. Jean Schultz, business education teacher, with gratitude and appreciation.

Mrs. Jean L. Schultz has effectively and conscientiously served the students at Maumee High School for twenty-six years. From 1952 to 1956 Mrs. Schultz was a "commercial" teacher at Maumee High School. In 1958 Mrs. Schultz returned from "home duties" to teach mathematics in the seventh and eighth grade at Fort Miami School. After another period of "home duties" from 1960 to 1967, Mrs. Schultz returned to Maumee High Schol to teach business education for the next eighteen and one-half years.

Mrs. Schultz has made a significant contribution to the Business Education Department at the high school and the hundreds of students who have grown under her teaching and direction. She will be missed by students, parents, faculty and administrators. We wish her well in retirement.



Once again, the last pages of the yearbook have been finished. It's the end of the summer and the yearbook should have been finished months ago. The seemingly endless task of putting this book together has finally been accomplished. As always a few special people deserve extra thanks. To Mr. Stephens for ever daring to take this project on and staying with it through his vacation. To Mrs. McDermott who was the only person who could make the computer behave. To Mr. Klever for somehow being caught up in the process without knowing for what he had bargained. To Carylee, Suzy, and others who throughout the school year contributed and last but certainly not least, to Michele, Rob, and Chad for sticking to the project throughout much of their summer vacation. I hope that everyone who buys a yearbook will be satisfied with the work and only hope that if there are any errors they will take into consideration the amount of time and work involved. The main reason for a yearbook is to capture the feelings, events and most importantly the people of Maumee High School. Sincerely, Jenni Klever
